

JETLINER CABINS:

EVOLUTION & INNOVATION

E-BOOK

by Jennifer Coutts Clay

Updated Chapter 15

Jetting into the Race to Decarbonize Flying

“There is nothing like it out there!

This e-book is the most comprehensive history of modern aircraft interiors, period”

— Tom Betti, Historian and Host of the Pan Am Podcast Program

“An all-encompassing paean to the aircraft cabin environment”

— Steve Lodewyke, Inflight magazine

“Tells you all you could ever want to know about the airline cabin past and present”

— Onboard Hospitality magazine

Available on Amazon, Apple App Store®, and Google Play™
